## Naturalization Reception

## Wednesday, February 21

Naturalization is the legal process through which a foreign citizen or national can become a U.S. citizen.
In order to be naturalized an applicant must be qualified to apply for citizenship, complete an application, attend an interview and pass an English and a civics test. (The actual civics test is NOT a multiple-choice test.) During the naturalization interview a USCIS officer will ask up to 10 questions from the list of 100 questions in English. 6 of these 10 questions must be answered correctly in order to pass the civics test. Upon comple tion of these things, a US citizenship or Naturalization ceremony is held and the new citizen is sworn in, takes the Oath of Allegiance, and is granted a naturalization certificate. Naturalization ceremonies are open to the public and provide an educational opportunity for promoting public understanding of not only the naturalization process, but to the federal courts as well.
We will be hosting a short reception immediately following the ceremony. Volunteers will depart from St. Thomas by 10:15 that morning and will return by $2 p m$. If you would like the opportunity to join others from St. Thomas in experiencing a new extension of hospitality by observing the ceremony and then helping to serve a few refreshments at the reception, please contact either Deacon Fran or Sue Elliott.

## February Second Saturday-

 February 10 after the $5: 30$ service. We will supply soup and chili for a dinner. We will ask those attending to bring appetizers, crackers, and veggies. Hope to see you there!
## Notes on Notes!

## by Dr. Beth Elswick, Director of Music Ministries

"This Little Light of Mine" is a favorite song for children. Recorded arrangement range from Ray Charles to the Boys' Choir of Harlem. The diversity of the musical settings is amazing. This perky song mostly uses the 5 -note pentatonic scale typical of the Deep South and folk music. Used in Sunday schools and children's choirs for decades, the song has also been used for very serious occasions. Even its authorship is a source of disagreement.

Some folks credit Harry Dixon Loes, a composer of gospel songs of the Moody Bible Institute. A version can be found in a collection dated in 1939 by John Lomax. Since the tune resembled plantation songs, many sug gested it was handed down in an oral tradition, but the song cannot be found in early collections of spirituals. Nonetheless, the pentatonic scale and folk-like melody was easily adaptable for many arrangements. Under the influence of early civil rights activists, the song eventually became a Civil Rights anthem in the 1950's and 1960's.
